

Step by step to using Pandora

<http://www.pandora.com/>

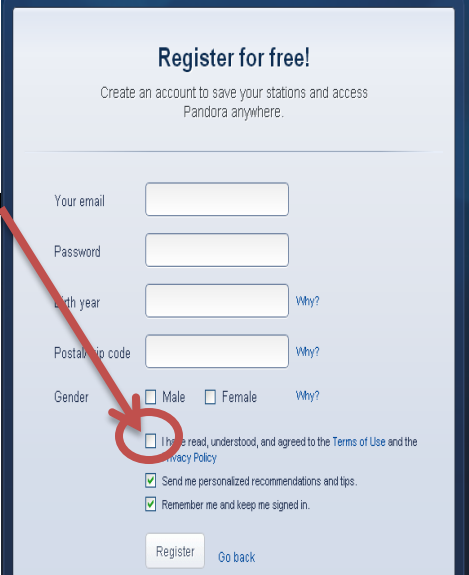

1. You go to Pandora.com

2 you can create an account

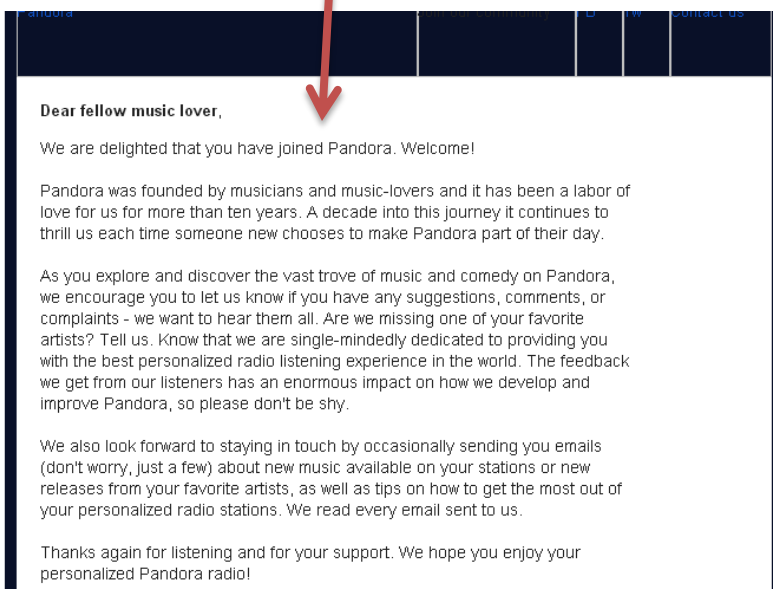

3 you have to fill out everything click on the I have read and agreed

4 You go to your email and look for the Pandora email and

Open it you should see this letter.

The registration form is titled "Register for free!" and includes the subtext "Create an account to save your stations and access Pandora anywhere." It contains several input fields: "Your email", "Password", "Birth year" (with a "Why?" link), and "Postal zip code" (with a "Why?" link). Below these are checkboxes for "Male" and "Female" (both with "Why?" links). A red circle highlights the checkbox labeled "I have read, understood, and agreed to the Terms of Use and the Privacy Policy". Below this are two checked checkboxes: "Send me personalized recommendations and tips." and "Remember me and keep me signed in." At the bottom are "Register" and "Go back" buttons.

5 Then you can go back to Pandora and use it.
